

VideoWall system

VW2.x33__080 VideoWall system – Floor mounted - 3x3 for 46-60 inch

SmartMetals presents 6 types of VideoWall floor solutions; free standing, bolted to the floor, bolted in between the floor and wall, bolted in between floor and ceiling and two mobile solutions. All VideoWall solutions have their own maximum horizontal and vertical rows of displays; depending on the inch size, display weight and start bottom first screen. With every VideoWall solutions you can choose between three different mounting arms for example the push to open system. For more information about the VideoWall solutions please contact the SmartMetals team via info@smartmetals.eu

VideoWall system
